About Great Wall Motor (GWM)

Great Wall Motor Co, Ltd. is a China-based international multi-brand automotive manufacturer founded in 1984. In 2020, the Group was among the 15 most innovative OEMs in the Connected Car Innovation Index of the Center of Automotive Management (CAM). GWM has more than 100 subsidiaries and employs over 60,000 people. The company has over 500 networks in over 60 countries and has sold over 700,000 vehicles abroad. GWM combines the Haval, WEY, GWM ORA, GWM Pickup and TANK vehicle brands under its umbrella. The Group serves three major product segments with both traditional and alternative powertrain technologies: SUVs, passenger cars and pickups. To ensure its high-quality standards, GWM maintains strategic partnerships with renowned international suppliers such as Continental, Bosch, Webasto, BorgWarner, ZF and Hella. With the launch of WEY in Germany last year, GWM has now entered the European market.

About WEY

Founded in 2016, WEY is the premium SUV brand of Great Wall Motor (GWM). It represents luxury combined with leading technology and is named after Jack Wey, founder and president of GWM. WEY was developed by a global team of over 1,600 GWM designers and researchers to the highest standards of global premium brands. With Baoding as its center, the WEY brand has formed a research and design network in seven countries and ten regions, covering Europe, North America and Asia, and also including Japan, the U.S., Germany, Austria and India.
